Voluntary Contributions - We are hugely dependent on this contribution. Again, thanks to all who have paid recently. Contributions are welcome at any time.

SSE (School Self-Evaluation): During this last school year, we have been making great efforts to enhance the boys' oral language skills. The boys took part in a wide variety of activities this year to improve these skills - debating, oral language games/stations, poetry, tongue twisters, Storyteller's *Word of the Day*. Many thanks to all of the teachers who really made this possible with all their efforts!
